EXODUS 3:14 And God said to Moses, I AM THAT I AM. And He said, So you shall say to the sons of Israel, I AM has sent me to you.

Please allow me to share with you something very special, that I received from the Lord early this morning. The topic I want to talk about is – **I AM**. When God revealed Himself to Moses as: **I AM**

What I am going to share with you, is how I as a human being understand the small part of Almighty God that has been revealed to me. No human words or anything, not even an angel, can describe or explain God in His Greatness and Omnipotence. So, understand very well what I am saying, the revelation of I AM that I am talking to you about, is what I experienced this morning. I'm not trying to explain the I AM because I cannot. There are no words; Nothing exists.

UNLIMITED TIME

Early in the morning I spoke to the Lord and He took me back to the Deliverance Course. Surely many of you have already gone through it and will understand what I am trying to explain. At the beginning of the course, I draw a dash on the white board. The beginning of the dash is Genesis 1 and the end of the dash is Revelation 22, the last book in the Bible.

- That is the era or period in which we are living and know as time.
- We are in that dash.

After drawing the dash, I make the statement that God is the same for all eternity. At the exact same moment, God is in the eternal past, in the present, and in the eternal future!

Then I stretch my arms wide from the eternal past, into the eternal future.

- **God is God.**
 - God is not temporary.
 - Time comes from God.
 - Everything we know comes from God.

Put in your mind again that dash that you and I know from Genesis 1 to Revelation 22.

- Actually, there is a timeless eternity already in the PAST and a timeless eternity into the FUTURE.

-o0o-

There are 7.2 billion people on Earth today, they say. For every second of those 7.2 billion people alive at this moment, those times have already been planned by the Almighty. The Almighty knows exactly, for He knows the end from the beginning.

- When He declares the end from the beginning, it is that time from Genesis 1 to Revelation 22.

Isaiah 46:10 declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure: (KJV)

He knows how many people have lived on Earth. God Almighty knows everything about each and every person's life. He knows every part or second.

MIRACLE OF CREATION

God gave me a precious revelation a few years ago, at the time when it rained a lot in Namibia. We were on a farm in the far south of Namibia, in the Solitaire area. I stood on the back of a pickup truck and watched the beautiful shiny-haired grass. As the grass blew and glistened in the sun, it was the most beautiful sight.

The Lord then said to me "Gert, just show **ME** any tuft of grass, and **I** can tell you about its past in detail, billions of years ago from creation.

I can tell you billions of years back, to the day I made it.

- I can tell where it comes from;
- how the winds blew;
- Where it went;
- how, what and where it rained;
- where the tuft of grass was;
- whence its seed comes;
- where it stood and
- where its father and grandfather stood;
- its origin in detail all the way back to creation. I can tell you everything about every tuft of grass in detail.

I'm trying to create a framework for you...

Every grain of sand, every sapling, every plant, every cloud, every bit of oxygen, every element, every little bug's history on this earth, from Genesis 1 to Revelation 22, within the two lines, HE can tell. Everything's planned and determined life can be told to you by the Almighty in the finest detail. Not even the scientists can analyse it.

- Everything that has ever existed in all of creation, be it a planet, a sun, a galaxy, or whatever.

There is nothing unknown to the Almighty. He sustains His perfect creation every day as He cares for the sparrows. Sit down and think about that picture. God Almighty knows everything from the history to the future of everything that exists and ever has existed. I'm just talking about the period between Genesis 1 to Revelation 22. This is already a "WOW" for us.

- No being is so great, wise, omnipotent, omniscient, or perfect enough to possess that knowledge. There is nothing and no one.

ETERNAL FUTURE

Now I take you from the left of the dash, Genesis 1, back into all eternity. What happened there, back into all eternity?

Only God knows. No one or nothing knows. Remember there weren't even angels.

- Angels did not exist in the eternal past because angels had a day of creation.
- There was only Father, Word and Holy Spirit, the Bible tells us.

There was not even light, space, or darkness in the eternal past. How can something exist, yet there is no space, darkness, or light? We do not know what was there in the eternal past.

We then go from Revelation 22 further forward, into all eternity.

- What is there in the eternal future?

When I stretch out my arms from my left to my right, or as far as this line can be drawn, for all eternity, the Almighty says to me; "Gert, **I AM**"

*In everything that ever existed and ever will exist, time, everything, **I AM** involved in everything's entire perfect detail, for*

- **I am** the Creator,
- **I am** the Almighty,
- **I am** the All-Knowing.

I AM

REVERENCE AND WORSHIP

I do not think we can realize what we are busy with, because **I AM**.

When I received the revelation of **I AM** early in the morning, I wondered if God could describe Himself in such a form that we would ever be able to understand Him. I say this without being blasphemous, and with the utmost respect. He can certainly describe Himself, yes, because He is Almighty, but will we ever be able to understand Him, even in His glorified form?

REVELATION 4:8 And the four living creatures, each one of them having six wings, are full of eyes all over and within [underneath their wings]; and day and night they never stop saying, "HOLY, HOLY, HOLY [is the] LORD GOD, THE ALMIGHTY [the Omnipotent, the Ruler of all], WHO WAS AND WHO IS AND WHO IS TO COME [the unchanging, eternal God]." [Isa 6:1-3; Rev 1:4] (AMP)

I often speak about the four living creatures sitting before the throne, who are made up of eyes inside and out. Since the heavens were created, these creatures have also been created. All they do is bow down to the Lord. When they bow down and rise again, they have a new revelation from God. All those eyes can say is: **Holy, holy, holy is the Lord God, the Almighty**. When they get that revelation, they bow down to Him again. It has been this way for billions of years how they bow down in reverence and worship. This will go on for all eternity. When all those eyes receive another revelation, it is impossible for the four living creatures to describe it.

- No angel can describe Him, because the four living creatures cannot even describe Him.

In the four living creatures' lifetime and years of revelations, they will never ever be able to describe the Lord. All they can say is **Holy, holy, holy is the Lord God, Almighty**.

So it goes on since the time they were created, and it will be so for all eternity. Those four living creatures can never in their eternal existence describe the Almighty.

- ***I am....***
- ***I am....***

The greatest of all is that I can say, He who is the ***I AM*** is my Father.

- What a privilege to **be able to call** the ***I AM***, “Father”.

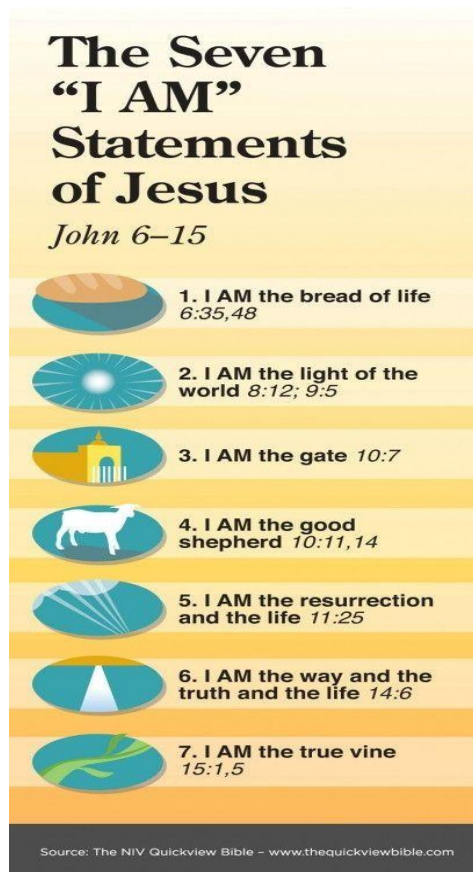

Quiet down a bit and think about what I have been trying to explain to you. Meditate on it.

Take Time and Reflect:

- What are we busy with
- What has been placed in our hands and
- What chance has been given to us to be able to say that we are children of the Most High God.

May the Lord bless every ear that hears what the Spirit of God says in the church.

Have a nice day.
