

Dedication of Business Prayer

Father, I come to you this morning, in the name of Jesus Christ, Your Son.

You have placed this business, by name _____ in my hands to manage for You.

I confess today that I am a weak and vain person and that I have no wisdom to run this business in Your will, therefor that I now pray for wisdom from You.

I break all curses, negative words, or anything from the evil one who is trying to gain territory and ownership in Your business, in the name of Jesus.

I now sprinkle Your business, Your employees, their homes and families, each client and all those directly or indirectly involved in Your business, with the Blood of Jesus.

I now take them all up under the authority and power, that You have placed on my shoulders, in the name of Jesus.

I sprinkle each product, manufactured or delivered, with the Blood of Jesus.

Satan has no power over anyone in Your service or anything manufactured by Your workers.

I ask that You will instruct Your angels to protect everyone directly or indirectly involved in Your business and also every product manufactured.

Let the name of Your Son Jesus be glorified in all this.

I now bless Your workers and their homes with health, obedience and submission to God's Spirit.

Strangers shall stand and feed our flocks; foreigners will be our farmers and winegrowers.

We will be called priests of the Lord.

Unto us will be said “servants of our God”.

I pray that everyone that places his / her feet on Your land or do business with You, shall realize that Christ Jesus alone is in control through His Spirit, which is in His body.

We shall eat the wealth of the nations and boast in their glory.

Instead of shame, we receive a double portion.

You love justice and will give the wage to those who keep it and also make an everlasting covenant with them, but You hate robbery with injustice.

Incline my heart to Your testimonies, and not to covetousness.

Therefor that I sprinkle every transaction and every cent going in and through Your business, with the Blood of Jesus.

Satan has no right to it.

I sprinkled every wage, paid to Your workers, with the Blood of Jesus.

Satan has no right to their wages, You’re giving it to them for the work they do.

Father, You have entrusted this business in my hands so that Your plan could come into fulfillment.

I now surrender myself to the authority of God’s Spirit, so that I will be guided by You, every day and every moment, in order to handle Your business as You have planned before the creation of this world.

I bless every worker going out for work, in the name of Jesus.

Let the image they project, confess and raise Your name so that everyone who comes into contact with them shall know that Jesus Christ is in charge of this business.

Please help me to do what is right in Your eyes and that I, or this business, will never be the cause of violating the name of Jesus and His body.

I ask all this in the name of our Lord and Master, Jesus Christ, the Son of the Most High God.

AMEN
